BUSINESS CREATIVE & IMPLEMENTATION SERVICES

Three independent ways to build, train, or promote your business.

BUILD SOMETHING. IMPLEMENT SOMETHING. PROMOTE SOMETHING.

Choose one service or combine them. Every project begins with a free consultation and a clear written scope before production begins.

1. CUSTOM BUSINESS IP

A proprietary character and media package built for your organization, including character design, original audio, animation, image library, edits, and commercial licensing.

Starting at $1,800

2. BUSINESS SKILLS IMPLEMENTATION SYSTEM

A structured training package that turns a defined skill into reusable workbooks, instruction modules, labs/tests, trainer guidance, and licensed implementation.

Starting at $3,000

3. ANIMATED SOCIAL CAMPAIGN

A ready-to-release animated campaign with short-form segments, original visuals, multi-platform release support, and a final campaign report.

$650-$1,450

Standard Project Process

- Free consultation and needs assessment
- Written proposal and signed agreement
- Initial payment/deposit
- Deliverable roadmap with milestones and review dates
- Client approvals and agreed revisions
- Final payment, delivery, and license activation where applicable

Free consultation | Written agreement | Production roadmap | Milestone approvals | Final delivery

October 2026 incentive: 10% off eligible production/service fees for agreements signed during October.
